Adam J. Gayheart

Game Design & Development | Project Leadership, Game Development, Marketing
(989) 859-6537 | Rochester, NY | ajg1604@gmail.com | linkedin.com/in/adam-gayheart/ | github.com/ajg8716

SUMMARY

Available May 2026 - Dec 2026

Game Design and Development Project Lead with 2 years leading cross-functional teams through full production cycles. Combine technical game development skills (Unity, Unreal Engine 5, C++) with business acumen (MBA in progress) to bridge creative vision and stakeholder objectives.

EXPERIENCE

RIT School of Mathematics and Statistics — **January 2024 - May 2026**
Calculus Learning Assistant — Rochester, NY

- Led weekly recitations for 30 calculus students and handled quiz materials and attendance records

ACC Home Remodeling — **June 2026 - August 2026**
Sales Associate — Midland, MI

- Cold-pitched home remodeling services in high-traffic retail settings, converting 15% of approaches into qualified leads, ranking as top-performing sales associate with 33 leads and 5 sales
- Built rapid rapport with customers to identify renovation needs and tailor pitches accordingly.

RIT MAGIC Maker Program — **May 2025 - December 2025**
Project Lead for *ENTROPY*
Rochester, NY

- Led a 15-person student team through full game prototype and production cycle, prioritizing gameplay features and tracking milestone delivery using Agile sprints
- Secured $11,000 in funding by pitching project vision and progress to producers and stakeholders
- Organized team development using an Agile workflow (sprints, backlog prioritization) to improve delivery cadence.
